

Request for Temporary Extension Approval Form

Prior approval number: _____

Number of labels on hand: _____

Number of days required to exhaust inventory: _____

We are requesting a temporary approval because:

The original temporary was granted because:

Use of this label will not misrepresent the product.

The use of this labeling will not present any potential health, safety or dietary problems to the consumer.

Denial of this request would create undue economic hardship because:

By USDA granting us a temporary approval and our use of this labeling, we will not create and unfair competitive advantage in the market place.
